## BIOGRAPHY

Il sound di Oppenheimer è definito da bassi potenti e un'energia oscura e inquietante, con set che incarnano intensità pura e un ritmo inarrestabile. Grazie a una gamma dinamica di influenze, fonde magistralmente beat incalzanti, percussioni travolgenti e atmosfere tetre, creando un'esperienza sonora immersiva che risuona profondamente con il pubblico.

Con 10 anni di esperienza come DJ, Oppenheimer è stato resident in alcuni dei locali più importanti di Terni, tra cui l'iconico 909 Club. Sotto il nome Frame, ha suonato techno e tech house aprendo il palco per artisti di fama internazionale come Ralf, Joseph Capriati, Luca Agnelli, Mind Against, Radio Slave, Davide Squillace, Markantonio, Adiel, Alex Neri, Leon, Phil Weeks, Fabrizio Maurizi, Mattia Trani, Sam Paganini ed Enrico Sangiuliano. Ha inoltre preso parte a eventi di rilievo come Sweet Babes, Cocoon e Impress, affermandosi nella scena underground.

Con il nuovo alias Oppenheimer, il suo sound si è evoluto verso un mix di Hybrid Techno e Hard Industrial, ispirandosi alle sonorità più lente e ipnotiche della Techno del 2016, di Amelie Lens, caratterizzati da bassi potenti e atmosfere acide. Nei suoi set Hybrid Techno, crea un viaggio sonoro tra groove incalzanti, sintetizzatori distorti e break ipnotici, mantenendo sempre un'energia crescente e travolgente.

Nel suo secondo stile, più estremo, Oppenheimer porta la tensione al massimo con Hard Industrial, dove suoni oscuri, distorsioni brutali e kick martellanti si fondono in un'esperienza sonora caotica e devastante.

Oppenheimer's sound is defined by powerful basslines and a haunting dark energy, with sets that embody pure intensity and relentless momentum. With a dynamic range of influences, he masterfully blends driving beats, thunderous percussion, and eerie atmospheres, creating an immersive sonic experience that deeply resonates with his audience.

With 10 years of DJ experience, Oppenheimer has been a resident at some of Terni's most iconic venues, including the legendary 909 Club. Under the name Frame, he played techno and tech house, opening for internationally renowned artists such as Ralf, Joseph Capriati, Luca Agnelli, Mind Against, Radio Slave, Davide Squillace, Markantonio, Adiel, Alex Neri, Leon, Phil Weeks, Fabrizio Maurizi, Mattia Trani, Sam Paganini, and Enrico Sangiuliano. He has also been part of major events like Sweet Babes, Cocoon, and Impress, solidifying his presence in the underground music scene.

With his new alias Oppenheimer, his sound has evolved into a mix of Hybrid Techno and Hard Industrial, drawing inspiration from the slower, hypnotic techno of 2016 by Amelie Lens, featuring heavy basslines and acidic atmospheres. His Hybrid Techno sets take listeners on a sonic journey through driving grooves, distorted synths, and hypnotic breaks, always maintaining an intense and electrifying energy.

In his more extreme style, Oppenheimer pushes tension to the limit with Hard Industrial, where dark tones, brutal distortions, and hammering kicks merge into a chaotic and overwhelming sound experience.
